I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNIFIL FOR THE PERIOD 1 FEBRUARY 1993 TO 31 JULY 1994

A. Period from 1 February to 31 July 1993

1. Under General Assembly resolution 47/205 of 22 December 1992, the Secretary-General was authorized to enter into commitments for the United Nations Interim Force in Lebanon (UNIFIL) at a rate not to exceed $12,190,000 gross ($11,931,500 net) per month for the 12-month period beginning 1 February 1993, should the Security Council decide to continue the Force beyond the period of six months authorized under its resolution 768 (1992). In addition, by the same resolution, the General Assembly appropriated the amount of $148,708,000 gross ($145,677,000 net) for the period 1 February 1992 to 31 January 1993, which represented an increase of $1,723,000 gross ($1,525,000 net) over the previous assessment for the same period.

2. By its resolution 803 (1993) of 28 January 1993, the Security Council decided to extend the mandate of UNIFIL for a further interim period of six months until 31 July 1993. Accordingly, under the authorization granted to the Secretary-General by the General Assembly, an amount of $74,863,000 gross ($73,114,000 net), representing commitments for UNIFIL for the period from 1 February to 31 July 1993, inclusive of the increase in appropriation for the period from 1 February 1992 to 31 January 1993, was apportioned among Member States.

3. The amount so apportioned among Member States in accordance with the provisions laid out in section I.E below was appropriated by the General Assembly in its resolution 48/254 of 26 May 1994 and is shown in section IV of the present document.

B. Period from 1 August 1993 to 31 January 1994

4. By its resolution 852 (1993) of 28 July 1993, the Security Council decided to extend the mandate of UNIFIL for a further interim period of six months until 31 January 1994. Accordingly, under the authorization granted to the Secretary-General by the General Assembly (see para. 1 above), an amount of $73,140,000 gross ($71,589,000 net), representing commitments for UNIFIL for the period from 1 August 1993 to 31 January 1994 was apportioned among Member States. The amount so apportioned in accordance with the provisions laid out in section I.E below and appropriated by General Assembly resolution 48/254 is shown in section V.

C. Period from 1 February to 31 March 1994

5. By its resolution 895 (1994) of 28 January 1994, the Security Council decided to extend the mandate of UNIFIL for a further period of six months until 31 July 1994. By its decision 48/464 A of 23 December 1993, the General Assembly authorized the Secretary-General, on an exceptional basis, to enter into commitments up to the amount of $24,000,000 gross ($23,500,000 net) for

UNIFIL for the period from 1 February to 31 March 1994. It further decided, as an ad hoc arrangement, to apportion at this time the amount of $22,876,600 gross ($22,400,000 net), and to set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of $476,600 for the period from 1 February to 31 March 1994.

6. This amount has now been appropriated under the terms of General Assembly resolution 48/254 of 26 May 1994 and apportioned among Member States in accordance with the provisions laid out in section I.E (see section VI below).

D. Period from 1 February to 31 July 1994 (additional)

7. By its resolution 48/254 of 26 May 1994, the General Assembly decided "to appropriate to the Special Account ... a total amount of 71,142,000 dollars gross (68,847,000 dollars net) for the period from 1 February to 31 July 1994, inclusive of the commitment authority of 24,000,000 dollars gross (23,500,000 dollars net) for the period from 1 February to 31 March 1994 and 23,714,000 dollars gross (22,949,000 dollars net) for the period from 1 April to 31 May 1994, authorized under General Assembly decisions 48/464 A of 23 December 1993 and 48/464 B of 5 April 1994, respectively".

8. It was further decided, as an ad hoc arrangement, to apportion the additional amount of $48,265,400 gross ($46,447,000 net) for the period from 1 February to 31 July 1994, taking into account the amount of $22,876,600 gross ($22,400,000 net) already apportioned in accordance with General Assembly decision 48/464 A (see para. 5 above), and that there should be set off against the apportionment among Member States their respective share in the estimated income of $10,000 other than staff assessment income and their respective share in the Tax Equalization Fund of the additional estimated staff assessment income of $1,808,400 for the period from 1 February to 31 July 1994, inclusive.

9. This amount has now been apportioned among Member States in accordance with the provisions laid out in section I.E below and is shown in section VII.

E. Apportionment of the costs of peace-keeping operations

10. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that were not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

11. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group D would pay 10 per cent of the assessment rates established for the regular budget, those in group C would pay 20 per cent, those in group B would

pay 100 per cent and those in group A would pay 100 per cent plus the amounts not otherwise apportioned.

12. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

13. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNIFIL. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 52 new Member States, including 6 new Member States in 1993, and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991, 47/218 of 23 December 1992 and decision 48/472 of 23 December 1993. The percentage shares shown in sections IV, V, VI and VII below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1992-1994, adopted by the General Assembly in its resolution 46/221 A of 20 December 1991 and adjusted in accordance with General Assembly decision 47/456 of 23 December 1992 and resolution 48/223 A of 23 December 1993.
